About Nurture

Nurture Preschool has been founded in 2012. It is not only a school, but an experience which children and parents identify as their own. Here children will have their first experience in the process of learning with joy, becoming confident of themselves and considerate of others by knowing themselves as an individual, understanding by exploring, discovering and reinventing.

Thus Nurture Preschool sets forth the way for each child to develop his/ her unique potential, foster child to become successful citizen, soaring high in tomorrow's world. The school emphasizes on constructive relationship between the parents to teachers as an important factor contributing to child's success.

About our Founder, Ms. Kavita Sharma

She is a gold medalist in Clinical Psychology with a proven track record in teaching, training, instructional design, curriculum development for past 14 years.

Our Promise To You

We promise
that each day your child will learn something new.
Some days it will come home in their hands.
Some days it will come home in their heads,
Some days it will come home in their hearts!
